Central Public Schools Home Events

Safety Procedures

In response to recent events across the state at athletic events, Central Public Schools is working to address security concerns for our home events. Effective immediately, the following safety procedures for home events will be implemented to help us manage the safety and security of our students, parents, and fans.

- No backpacks, large bags, cooler bags, or ice chests will be allowed in the stadium (with the exception of travel gear used by players, cheerleaders, or band members)
- All personal items will be subject to search by security personnel
- Elementary age children will be asked to sit with their parents/guardians
- **No re-entry** upon leaving the athletic venue will be allowed
- No firearms or weapons are allowed
- No alcohol or drugs (in any form) are allowed

Central Public Schools will have increased security personnel on site at home events.

If you have any questions or concerns, please seek assistance from our event staff, administration, or security personnel.
